ASE

The one thing we have built
BRICK by BRICK in the **last DECADE**

The **BUILDING BLOCKS** to the **BLIND TRUST** that **PARENTS** have in us

Terrific Teaching

Topnotch Teaching by the Two Titans whose pedagogy students swear by. Both Vikramjit Sir and Kripa Madam have set a new benchmark in English teaching and have impacted the language and lives of 1000s of their students.

Reliability

Razor-sharp Reliability is what we are known for, whether it is completion of portion, conducting of tests, a well-planned and no-change timetable. Responsible Regularity is the way of life for us.

Uniqueness

Our Uniqueness lies in the Unrivalled Understanding of the students' psyche which inspires us to come up with Unique and Ultimate solutions for them for Uplifting their learning experience. We use music to sugarcoat English grammar, hammer grammar through the Grammar - Hammer (1000 marks Grammar practice Tests). Key Word Tests and Objective Tests are conducted to ensure they get a grip over Literature.

Systems

We understand that the Stability of any Academy depends on Successful and Sensible implementation of the systems. We have a robust use of technology for the same. Students can practise grammar (with instant correction), download extra papers and read great compositions on our website. Parents can track the number of grammar exercises done by their kids and essays downloaded.

Transformation

True Transformation of a child is based on academic brilliance going hand in hand with mental well-being. To leave no stone unturned for the students, we offer them unlimited doubt-clearing sessions, many extra sets of prelim papers and even a 24 hour helpline 'There 4 U' a day before the board exam. To lift their spirits and drooping shoulders, a special session called 'Milestone' is conducted for the students of Standard 10th in the month of September. For many of them, it serves as a game changer and 'resets' their approach to life. The results we have produced over the years just affix a stamp of confirmation to it. Just a glimpse on the next few pages will show you the same.

Testimonials

My experience and journey with VEA will be cherished and would be in my reminiscence for the rest of my life. The two years spent in the academy brought the best in me and helped me to achieve the dream score of a perfect 100 in English literature and 99 in average of English I & II. This would not have been so effortless and straight forward without constant support & guidance of two ably experienced & best teachers- Vikramjit Sir and Kripa Ma'am. My journey at VEA was filled with learning, enjoyment, and laughter. The 24-hour helpline function was commendable. It was active throughout the night and Sir and Ma'am were patiently solving all the queries of students of all batches simultaneously. In fact, I got my doubts solved till the last minute before I left for the exam.

Hrishikesh Gopalkrishnan- Board English Topper 99/100 - 1st in HFS in English (Average of English I & II)

Throughout the year, in Vikram Sir's lectures, it never felt like a mere classroom lecture, but rather an immersive journey into the world of Venice. Your ability to bring the characters and their struggles to life was truly remarkable. Every time you discussed a scene or analyzed a character's personality, it felt as if I was an active participant in the story, witnessing the events right before my eyes. Sir truly is **THE KING OF SHAKESPEARE** and there is no better teacher than him.

Thank you, Kripa Ma'am, for being such an extraordinary teacher. Your class was a Treasure Trove itself. As you carried us into the realms of emotions, hidden meanings and thoughts embedded in all these stories and poems. Ma'am, you truly are **THE QUEEN OF POETRY & STORIES!!!** The intensive practice that we had throughout the year as well as the Ten Prelim Papers of Other Schools (OPP) for both Language and Literature, gave me a massive confidence boost while writing the papers during the Board Exam. Sir made sure to discuss each essay topic, Letter (both Formal and Informal), Notice, E-Mail and Grammar part in each of the Prelim papers. The study material that we had for both Language and Literature was especially useful, since many questions based on the text are usually never covered in the notes given by the school.

Soham Khandge- 98/100 - 1st in Pawar Public School (Overall)

One of the most fascinating things I encountered was their 24/7 helpline one day prior to the board examination. Isn't it crazy to think that both were there since 9 am on the day prior to the examination to 9 am the next morning catering to doubts without resting even for a moment? And of course, we cannot ignore 'MILESTONE', the eye-opening seminar. Not only have they paved a path for the foundations of English but also for the foundations of me and all students as individuals.

Asmita Hargude- 98/100 - 1st in Billabong School-Overall & English (Average I & II)

We were provided with more than enough study material through their website that had sample essays and letters, notes and grammar exercises. We were made to write several prelim papers which eventually prepared us for our boards. I cannot thank VEA enough for the support that they provided. They were available the whole night before both the papers to clear any last-minute doubts. On the day of the exam, teachers came to wish and encourage us at our school - I will never forget this gesture.

Suhani Vazirani- Board English Topper 99/100 - 1st in Euro School-Overall & English 1 (Average I & II)

My experience with VEA has been incredible. Vikramjit sir and Kripa ma'am have been superlative mentors and have made mastering the English subject fun and easy to learn. The notes provided were an immense help. Their interactive sessions, regular worksheets, monthly Grammar Hammer quizzes, Keyword tests, MOV videos, detailed prose and poetry presentations and the 24/7 helpline before the Board exam were the reason for my magnificent scores in the English Board Examinations.

Priyana Jain- 98/100 - 2nd in JK Singhania in English (Average of English I & II)

My journey with Vikram Sir and Kripa Mam was really an incredible one. They prioritised the overall development of the child through a holistic approach to education and practical learning. Indeed at VEA, I have cherished my life and perished my sorrows. Their constant motivation and guidance played a major role in bringing up this result. The numerous keyword tests, the entertaining songs by DJ VK, innumerable practice papers helped me prepare myself for the board exams. Their last-minute revision, Grammar Hammer touched every aspect which could be in our exams. Sir and Madam burnt the midnight oil in order to ensure that all the students are prepared in the best possible way. Additionally, they also enlightened us on various aspects of life in a wonderful session 'Milestone'. Sir and Mam not only taught us the bookish lessons but also made us learn life lessons. VEA is a coaching centre which bridges the gap between child's education and dreams. Today my heart screams gratitude and appreciation for all your efforts. You both are the best teachers I have ever seen in my learning journey.

Kalp Mehta- 97/100 - 1st in BPIS (Overall)

Many call English a tough subject as only the best out of the best manage to achieve an excellent score. The OPP (Other School Prelim) papers and the 24/7 helpline really helped me a lot during the boards. Apart from academics we also had a lot of group discussions & debates that gave us an insight into the real-world problems.

Tisha Gawai- Board English Topper 99/100 - 1st in PPS in English (Average of English I & II)

English is the common thread that binds all other subjects. It is not only one of the toughest subjects of the ICSE board exams but also the only compulsory subject in the Best of 5 percentage. I am extremely fortunate to have gotten the opportunity of studying under Vikram Sir & Kripa Ma'am. Every English lecture was a joy, with their sense of humour. Though, they both are dynamically different, as a pair, they cover every aspect of the subject. They made the two English lectures of the week the most enjoyable classes, the only ones I attended right till the end. Lectures till the final months before the board exams contributed immensely as it gave us a better grip of the subject. The 24-hour helpline 'There For You' was true to its name. A day prior to the Board Exam, doubts suddenly pooled in and there was panic. However Sir & Mam beautifully handled the situation and I could be relaxed, confident to write a good paper for the Board Exam.

Trisha Nair- Board English Topper 99/100 - 1st in Euro School- Overall & English (Average of English I & II)

The teaching pattern followed by both the teachers was amazing in a very suave style. The 'Milestone' Lecture by Vikram Sir also opened up every student's mind and taught how to approach any obstacle in every aspect of life. My dad had an old-school belief that it was next to impossible to get full marks in any Language, achieving this great feat gave me another chance to challenge my dad's beliefs and live up to my mom's expectations. Someday everybody achieves great heights in any field, but never will we stop to live the legacy of Vikram Sir and Kripa ma'am.

Sachit Mishra- Board English Topper 99/100 - 1st in PPS in English (Average of English I & II)

I remember myself looking forward to attend lectures scheduled even at 9 pm, just because Sir and Ma'am made learning so much fun. I'd never imagined learning Grammar could be something enjoyable until 'THE DJ VK' changed my mind. The timely key word tests prepared me thoroughly for attempting MOV well in advance, helping me to concentrate on other subjects before the boards. The abundant study material gave me the perfect amount of practice and was a great help for last minute revision.

Khushi Charla- 98/100 - 2nd in SSRVM in English (Average of English I & II)

VEA has always been such a comfort place for me. It never felt like a "tuition" that your parents forced you to go just so you could do well in school. Each and every class has been a learning experience for me and is a huge reason for my marks and where I stand today. I remember the time when one of my essays was uploaded on the website and the way it felt like such a huge accomplishment. Same goes for Grammar Hammer, which was so helpful (and an apt ego boost!). All the resources, source material, prelim papers practice and what not, is all nothing but a recipe for true ICSE gold! VEA ensures that it brings out the best polished version of you, and you always leave shining bright like a diamond. They truly are the superheroes of ICSE English.

Anjor Wakkar- 98/100 - 2nd in Euro School in English (Average of English I & II)

I was very excited to attend the first class of Std 8th. I remember it was online and we were taught Figures of Speech by Kripa Ma'am. What marvelled me was that despite the class being online, Kripa Ma'am successfully connected with all of us, intellectually, emotionally and tickled our funny bone WHILE TEACHING US ENGLISH! Obviously, nobody can teach English like VK Sir, be it MOV, or basics like Clauses, he has got the tact to make it easier and fun. The tests and notes given were the most beneficial and helped me score marks. Sir is more than a teacher. He is mentor & a father figure I'd always look up to.

Kimaya Akerkar- 97/100 - 2nd in PPS School (Overall)

In 10th, getting an opportunity to be in the 'Scholar's Batch' and clearing the entrance test was a great experience. Making new friends, solving more difficult papers and being in a competitive company helped me a lot. Solving of School Prelim Papers, 24/7 helpline before the boards, Doubt Solving Sessions, 'Milestone' and infinite support helped me a lot to prepare for the boards. If not Vikram sir, nobody else can teach the Merchant of Venice in such a great and easy way. Vikram sir is one of the most passionate and coolest teachers I have ever met. All the songs of grammar and tricks to remember the rules can never go out of one's mind. Kripa ma'am is the best complement to Vikram sir and both make a splendid duo.

Vanshita Vardi- 98/100 - 1st in BPIS in English (Average of English I & II)

My journey at Vikram's English academy was truly something to remember for the rest of my life. English has always been my favourite subject but scoring well in the language wouldn't have been possible without the phenomenal support from the wonderful teachers who were no less a backbone of the academy. The periodic keyword tests, MCQ's before exams and grammar exercises were undoubtedly helpful.

Trisha Sawant- Board English Topper 99/100 - 1st in G S Shetty School in English (Average of English I & II)

MOV which seemed to be a frightening play initially was now beautiful and comic. The characters felt alive and Vikramjit Sir managed to portray the true essence of the play in the most fun way imaginable. Kripa Ma'am explained every chapter in the Treasure Trove in an enthusiastic and fabulous manner. What sets VEA apart from other coaching institutes is that they not only care about the students' performance in the Board Examinations, but also wish for their success in the future.
